Sunday Worship: 8 am Chapel (September – May) & 10:20 am

June 30, 2021

Greetings to one and all,

It is my hope that everyone is having a safe warm summer. As July starts to unfold, I hope we are more distant from the pandemic season just past and looking forward to more summer events and opportunities. JSUM has some events coming this month we need to look forward to.

- Our ice cream social will be July 8th 4 – 7 pm (or until the food runs out).
- Our VBS is a time to gather our children, grandchildren, nieces, nephews, friends children and anyone else we can find and bring them to "Discovering Jesus" VBS at JSUM. There will be songs, craft, games, and a great time for all that attend. Also, an adult segment will be offered. Come see what that is about! VBS will be July 11-15 from 6-8 pm. A good time will be had by all.

These two major events, together with our rummage sale in August and each Sunday worship are opportunities to invite friends to your church home. In so many places it is no longer appropriate to speak of your faith, it is never out of style to give an invitation. So give invitations to people you know, friends and family. You will both be glad you did.

Blessings abundant to one and all. Step up for JSUM and Upper River Ministry and invite some folks...

Always, Johnny
